ŠIROKI BRIJEG / 20.-25. KOLOVOZA/AUGUST 2012.

Praznina... ništavilo. Osjećanja skrivena u dubinama našeg bića, osjećaji za koje mislimo da su zaboravljeni, te bez da shvatimo da su još tu, nastavljaju prožimati sve oko nas.

Blank... nothing. Feelings hidden in the depths of our being, those feelings that we felt forgotten and that without realizing it are still here, continue to permeate everything around us.
