U selu visoko u planinama Krete, 69-godišnja Maria radi za svojim tkalačkim stanom. Promatra je njezin 73-godišnji muž Jorgos. Jorgos smatra kako je Maria iznimno lijepa, pa ponekad poziva strance prolaznike u radnju da joj se dive. Ovo je prikaz ljubavne priče koja je počela kad su Maria i Jorgos bili mladi, traje već 55 godina, a sad je ljubav pod prijetnjom jer bi Jorgos mogao umrijeti svakog trena.

In a village high in the mountains of Crete, 69-year-old Maria works at her loom. Watching Maria is her 73-year-old husband, Jorgos. Jorgos finds Maria so beautiful he occasionally invites passing strangers into the workshop to admire her. This is account of a love story that began when Maria and Jorgos were young, endured 55 years and how this love is under threat as Jorgos may die at any minute.
