Film prati borbu za život 25-ogodišnjeg mladića po imenu Joško Morović, čiji je pokušaj studiranja fotografije i filmskog snimanja zaustavljen zbog raka testisa koji je uznapredovao na pluća. Ime filma poteklo je od šest ciklusa koji su temelj tretmana i borbe protiv raka koju moraju proći svi oboljeli. Filmska je ekipa provela svih 6 ciklusa s Joškom u bolnici prateći njegovu borbu i utjecaj bolesti na njegovu okolinu.

The film follows the struggle for life of 25-years-old man called Joško Morović, whose attempt of studying the photography and filming was stopped due to testicles cancer which spread to the lungs. The film title originated from 6 cycles which are the base of the treatment and fight against the cancer which all the patients have to exercise. The film crew spent all the 6 cycles with Joško in the hospital monitoring his struggle and influence that his disease inflicts to his surroundings.
