Kakav je osjećaj doći i nastaniti se u velikom gradu kao stranac? Poput poetske šetnje film nas poziva da otkrijemo Taipei kroz emocije. Hipnotizirajuća glazba iz filma vodi nas kroz urbanu vrevu ovoga grada.

How does it feel to arrive and settle in a big city as a foreigner? Like a poetic walk, the film invites us to discover Taipei through the emotions that someone can feel, with strange and familiar eyes. The hypnotic soundtrack carries us in the urban swarm of Taipei.
