Film je romantična komedija popraćena urnebesnom glazbenom pratnjom jazz legende Nevena Frangeša. Govori o slučajnom križanju putova hrčka i para vjeverica koje sudbina vodi do njihovih snova.

Film is presented like romantic slapstick comedy with piano accompaniment (by Croatian jazz legend Neven Frangeš) on coincidental cross paths of a house hamster with a pair of squirrels which leads them like destiny even to their dreams.
