Inženjer za rušenje građevina, kuhar i konobarica u zabačenom restoranu pokraj puta, nonšalantni biznismen u neprijateljskoj zemlji, tek vjenčani par na raskošnom vjenčanju i milijunaš koji uživa u prijateljskim odnosima s obitelji i uposlenicima... Upoznajte protagoniste šest priča, obične ljude s običnim životima poput naših. Sve dok uobičajena situacija – sitna nepravda s kakvom se ljudi širom svijeta svakodnevno susreću – ne izbriše masku običnosti s njihovih lica. Živci pucaju, a granice pristojnog ponašanja se pomjeraju brzinom kretanja pobješnjele životinje.

*An engineer for demolition of buildings, a chef and a waitress in a remote restaurant by the road, an easygoing businessman in a hostile country, newly wedded couple with a luxurious wedding and a millionaire that enjoys friendly relations with family and employees... Meet the protagonists of six stories, ordinary people with ordinary lives like ours. Ordinary, as long as a regular situation – little injustice that people throughout the world see every day – doesn't erase that ordinary mask from their faces. Nerves are broken and the boundaries of nice behaviour are moved in the speed of a raging animal.*
