Saar je HIV pozitivan homoseksualac koji živi u Londonu, gdje je našao utočište otišavši iz religioznog kibuca u kojem je odrastao u Izraelu. Otkad mu je dijagnosticiran HIV Saar čezne za ljubavi svoje obitelji, dok se oni bore sa strahovima i predrasudama. Saar i ostatak Londonskog gej muškog zbara pružaju sjajnu glazbu za ovaj dokumentarac o snazi opruštanja i snazi koju ima dom, bez obzira koliko daleko otisli.

*Saar is an HIV positive gay man living in London, where he found refuge from the religious kibbutz where he grew up in Israel. Ever since he was diagnosed with HIV, Saar has craved his family's love, while they struggle with fears and prejudices. Saar and the rest of the London Gay Men's Chorus provide a glorious soundtrack for this documentary about the power of forgiveness and the power that home has, no matter how far we go.*
