Zbog nemogućnosti plaćanja kredita ili režija, uslijed gubitka posla i bolesti, svaka dvadeseta obitelj u Hrvatskoj ostaje bez stana ili kuće. Rigorozni ovršni zakoni omogućili su bankama i ostalim institucijama da lakše dođu u posjed nekretnine. Kad zakaže sustav, kad se građanin više nema kome obratiti i kad ga beskrupulozna administracija izbacuje iz stana ili kuće, tada u pomoć stižu mladi aktivisti koji svojim tijelima sprječavaju provedbu deložacija. Film kamerama s lica mesta evidentira mučne scene u kojima kordoni specijalne policije silom odvlače mlade, starce, žene, djecu... čija je jedina želja ostati živjeti u svom jedinom domu.

*Every twentieth family in Croatia loses their apartment or house due to incapability of paying the credit or the overhead expenses. The rigorous foreclosure laws have enabled the banks and other institutions an easier way of gaining a real estate. When the system fails, when a citizen has nowhere to turn to and when the unscrupulous administration dislodges them from their flats or houses, then the young activists arrive to help and with their bodies prevent the execution of eviction. The film has recorded the grievous scenes from the very places where the cordons of special police use force to drag away the children, women, the young and the old...whose one and only wish is to stay and live in their only home.*
